We are looking for fun, colorful, unique, fashion and work boots to exhibit. Ranching is a part of our heritage in this area of the state and the cowboy boot is typically worn by cowboys. However, in today's world, you don't have to be a cowboy to wear boots. Boots are popular footwear that can be worn by anyone.

**Art work of boots & spurs will be accepted to  
exhibit along with the actual boots.**

**Artists work is acceptable in any media and there is no fee to enter.**
